V.V.S.G.C.E.P. School

Rajajinagar, Bangalore-10

Note to the Parents

Standard I to IV

Our institution gives equal importance to extra curricular activities along with academics. Keeping this in mind, we have decided to organize "A Talent – Search" programme for students of classes I to IV. It is a great opportunity for the children to exhibit their talents either individually or group wise. We have planned different themes for different classes as shown below:

Class / Section	Theme
Std I	1) Dance for film songs or album songs based on environment, nature etc. / devotional dance. 2) Devotional song / Folk song
Std II	1) Dance for folk songs (any language) / dance for film songs or album songs. 2) Devotional song / Light music
Std III	1) Patriotic dance based on our nation or state / dance for Kannada folk songs. 2) Devotional song / Folk song
Std IV	1) Patriotic dance based on our nation or state / Dance for film songs or album songs. 2) Devotional song / Light music

Note : 1. If students are good in any other theme, other than those mentioned they may approach their class teachers and seek their permission.

2. Groups can also be formed with students of other sections of the same class.

3. This programme is likely to be held in the end of July. The dates for each section will be intimated closer to the programme.

Principal.
