Story : Three little pigs

Once upon a time there were three little pigs. Jolly,Rolly and Curly. They were living with their mother in the forest. One day they said to their mother "we are grown up . We can take care of ourselves" and left to the forest to build their own houses. Jolly wanted to build a straw house, so he started to collect straws. Rolly started to collect woods to built a wooden house, where as Curly collected bricks to built a brick house.

One day the three little pigs were playing in the forest. A wolf saw them playing and became happy that he got his prey. He came running towards them. The scared pigs ran to their houses.

Jolly ran to his straw house and huddled under the straw. The wolf went near Jolly's house and said "Little pig come out of your house". The little pig said "No, No I will not come out". The wolf said to that " I will huff and puff and I will blow your house in the air". The Wolf huffed and puffed and blew the house in the air. Jolly's house was destroyed and Jolly ran to Rolly's wooden house to hide. The Wolf followed Jolly and reached Rolly's house. Both Jolly and Rolly were huddled behind a door in the house. The Wolf said "come out, if you don't come out, I will huff and puff and blow up your house in the air". When they did not come out, the wolf huffed and puffed and blew the house. Rolly's wooden house also got destroyed. Now both Jolly and Rolly ran to Curly's house. All the three little pigs were hid in the brick house . The angry wolf came there and said "Come out, if you don't come out, I will huff and puff and blow your house in the air". But the little pigs did not come out. The Wolf started huffing and puffing, but he could not blow Curly's house. He tried again and again and got tired. Then he thought of a plan. He started climbing the house. There was a chimney, he planned to go inside the house through the chimney. Curly saw the wolf coming down the chimney and Curly quickly thought of a plan. He put fire. When the wolf was sliding down the chimney, he said "Oouch, I got hurt!" . The wolf jumped out of the chimney and ran to the forest , he never came back to trouble the pigs.

All the three little pigs lived happily ever after.
