Sa sing the sunflowers

Sa sing the sunflowers,
Re ring out the red roses,
Ga giggle the gulmohars,
Ma murmur the marigolds,
Pa pop the pretty poppies,
Da dance the dahlias,
Ni nod the neem flowers,
Sa, re, ga, ma, pa, da, ni, sa

The little plant

In the heart of a seed, buried deep so deep,
A tiny plant lay fast asleep.
Wake said the sunshine and creep to the light,
Wake said the voice of the rain drops bright.
The little plant heard and it rose to see,
What a wonderful, outside world might be!
What a wonderful, outside world might be!
