Story : Elephant and the Tailor

An Elephant used to go near a pond daily to take its bath. On the way to the pond, the elephant used to pass a tailor shop. The tailor used to give bananas to the elephant everyday. One day the tailor wanted to play a prank on the elephant. So he took a needle and pricked the elephant's trunk. The elephant was hurt but walked quietly to the pond. The elephant wanted to teach a lesson to the tailor. After taking the bath he filled his trunk with muddy water, came near the tailor shop and sprinkled it on the tailor and his shop. The tailor realized his mistake and felt bad for what he had done. From then on he would only feed the elephant with bananas. They became good friends .
