The grandma took some flour and made a dough out of it. She shaped it round and kept it in the oven .The bun was ready but it was very hot. So she placed it on the window sill to cool. But the little round bun jumped out of the window and rolled away along the road.

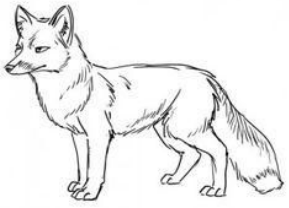

On the way, it met a rabbit. The rabbit said "Stop, little round bun, I will eat you ".The little round bun said ,"please don't eat me , I will sing a song for you". "I ran away from the grandpa , I ran away from the grandma.. now.. I will run away from you Mr. Rabbit". It started rolling on the road.

It met a wolf . The wolf said " Stop little round bun, I will eat you". The little round bun said , "please don't eat me , I will sing a song for you". "I ran away from the grandpa, I ran away from the grandma, I ran away from the rabbit, now.. I will run away from you Mr. Wolf".

The little bun started rolling on the road and it met a Bear . The bear said "Stop little round bun, I will eat you". The little round bun said ,"please don't eat me , I will sing a song for you"."I ran away from the grandpa , I ran away from the grandma, I ran away from the rabbit, I ran away from the wolf, now.. I will run away from you Mr. Bear". It started rolling on the road.

Now it met a Fox . The fox said "Stop little round bun, I will eat you". The little round bun said , "please don't eat me , I will sing a song for you.I ran away from the grandpa , I ran away from the grandma, I ran away from the rabbit ,I ran away from the wolf, I ran away from the bear, now.. I will run away from you Mr. Fox". But the fox was cunning. It said "I am unable to hear your song, please sit on my nose and sing".The Bun sat on its nose and started singing. Again the fox said "I am unable to hear you. Sit on my tongue and sing . As soon as the bun sat on the fox's tongue, it quickly gobbled the bun.
